

Exclusive Offer for DSBA Members!

Video Conferencing Services

Video conferencing has become an indispensable, cost-saving tool for attorneys.

- Save time and money by reducing travel expenses
- Communicate more easily with co-counsel and clients
- Make additional revenue by renting services to visiting attorneys

Courtroom Connect offers its high-end videoconferencing service at a fraction of the cost of other providers.

- Buy equipment for an in-house videoconferencing solution
- Rent videoconferencing rooms throughout the country

DSBA members receive discounts of more than 15% on room rentals.

Internet Service

Get low-cost Internet service for your law offices from the same company trusted to provide Internet access to courthouses throughout the country. Make any of the following services your main Internet line or your back up line:

- ADSL
- SDSL
- T1

Courtroom Connect also offers video-optimized Internet service for IP based videoconferencing.

DSBA Members receive a free annual wireless Internet account at the Delaware State Courts with every purchase of Internet service.

10% of the proceeds from Internet and videoconferencing services will be donated to the DSBA, so please mention DSBA when ordering.
